For IB : Ms. Naveeda Noor, AD (Legal)

Date of hearing : 06.02.2012.

ORDER

In pursuance of our earlier order dated 27.01.2012,
learned Advocate General Balochistan has submitted a daily
situation report; he claims no privilege/confidentiality for the

same. Learned Attorney General for Pakistan states that he could not procure reports from the MI & ISI regarding the situation prevailing in the Province of Balochistan; however, he requests for some time to do the needful.

2. It may be noted that on 30.01.2012, an untoward/unfortunate incident took place in the area of Clifton Block-9, Karachi, in which female family members of MPA-Mir Bukhtiar Domki along with Driver were killed. The said incident resulted in unrest in the whole Province of Balochistan as the general masses/public observed stern strike in the Province and there was complete shutter down. There were hues and cries for the reasons that innocent female family members of Mir Bakhtiar Domki have been murdered.

3. In above view of the matter, instant proceedings have been initiated, keeping in view the situation prevailing in the Province of Balochistan; therefore, notices were issued to the Inspector General of Police Sindh and the Advocate General Sindh to appear and explain the situation.

4. In response to notices, a report has been filed; perusal whereof indicates that so far no effective progress has been made by the Police to cause arrest of the culprits involved in the commission of the crime. As it has been pointed out herein above that it is one of the most sensitive incident, having its own

repercussions on the situation prevailing in the Province of Balochistan, which is becoming worsen day-by-day. In our view, the Inspector General of Police Sindh should have taken all necessary steps in tracing the offenders and causing their arrest.

5. The Inspector General of Police Sindh, present in Court states that extensive efforts are being made by him and he is confident that he will succeed in arresting the culprits involved in the crime; however, he requests that he needs some time to do the needful.

Adjourned to 10.02.2012. The Advocate General Sindh and the Inspector General of Police Sindh are directed to appear in-person on the next date of hearing.
